Hi everyone:

Attached are briefing materials for today's monthly meeting between the IRIS program and Bob K. – I am remaining on the invites ☺.

These monthly meetings are planned ahead of time – and I tend to know the topics, so I apologize for not getting this information to you sooner.

I'll do that in the future....assuming there is potential interest in these.

Today's meeting will be a good one – FA and BaP updates.

Everyone is welcome in the main conf room on the 4th floor.

Consider the information close hold...so if you share it with OSP staff, then let them know that, OK?

Let's not share outside of OSP.

Maybe see you there...

Lynn
